

Dear Tony & Cindy,

How often do you hear about the nightmare experience when people talk about building projects? However, Jill and I wanted to tell you that ours was a dream come true. We have now used Luxury Builders for several remodels on our Ormond home, the largest being an addition of nearly 4000 square feet. We can't speak highly enough of the quality of workmanship and our overall experience of your extensive team. We asked you to design a large space for entertaining with a Mediterranean feel; I have enclosed some photographs which speak for themselves.

Thank you once again,
Steve and Jill Hole

Dear Tony & Cindy,

My wife and I would like to express our sincere gratification for the quality home you constructed for us. We have had so many compliments on the quality of work that went into the home. Luxury Builders' reputation for quality construction speaks for itself when you see the details that went into our home. This was a once in a life time project for our family, and Luxury Builders made sure the project always exceeded our expectations. Again, thank you for our beautiful home.

Sincerely,
P&SPAVING, INC.

Dear Tony & Cindy,

We purchased our lot in Ocean Hammock (Palm Coast) in 2001. Not having familiarity with the local building industry, we turned to our friends who lived close by and asked for recommendations. They gave the name of Luxury Builders, located in New Smyrna Beach. We had previously met with all the preferred builders the developer had shown us. We met with Luxury and realized that same day we had found the perfect builder to meet our financial and quality needs. Being in New Jersey most of the time, we needed a builder who we could depend on to watch over our house construction as if it was their own. Boy did they ever deliver and then some! The experience was a once in a lifetime dream come true. We are so happy with our home, and when we have friends and neighbors over the first question is, "who built your house?" A true testament to a fine builder who we love and recommend highly.

Sincerely,
Bob and Margherite McDermott
